

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

8 || LeMEL DETANIO HANKSTON,

Petitioner,

2:13-cv-01601-JCM-GWF

10 | VS.

ORDER

11 || DWIGHT NEVENS, *et al.*,

Respondents.

15 In this habeas corpus action, the court appointed counsel for the petitioner, LeMel Detanio
16 Hankston (ECF No. 4), and, on January 28, 2015, with counsel, Hankston filed a first amended
17 petition for writ of habeas corpus (ECF No. 14).

18 On April 29, 2015, Hankston filed a motion for leave to amend petition (ECF No. 18),
19 requesting leave of court to file a second amended habeas petition. In that motion, Hankston states
20 that the further amendment of the petition is necessary to incorporate new exhibits. Attached to the
21 motion are the proposed second amended petition, and the three new exhibits. Respondents did not
22 respond to the motion for leave to amend.

23 A petition for writ of habeas corpus “may be amended or supplemented as provided in the
24 rules of procedure applicable to civil actions.” 28 U.S.C. § 2242; *see also* Rule 12 of the Rules
25 Governing Section 2254 Cases in the United States District Courts (recognizing general applicability
26 of rules of civil procedure in habeas cases). Hankston’s motion is governed by Federal Rule of Civil

1 Procedure 15(a)(2), which permits an amended pleading “only with the opposing party’s written
 2 consent or the court’s leave.” The court “should freely give leave when justice so requires.” *See,*
 3 *e.g., Outdoor Systems, Inc. v. City of Mesa*, 997 F.2d 604, 614 (9th Cir.1993) (denial of leave to
 4 amend reviewed “for abuse of discretion and in light of the strong public policy permitting
 5 amendment.”). Factors to be considered include “bad faith, undue delay, prejudice to the opposing
 6 party, futility of the amendment, and whether the party has previously amended his pleadings.”
 7 *Bonin v. Calderon*, 59 F.3d 815, 845 (9th Cir.1995). Here, there is no indication of bad faith, undue
 8 delay, or prejudice to the opposing party. Respondents have not responded. There is no indication
 9 that the amendment would be futile, as Hankston seeks only to incorporate new exhibits. Under the
 10 circumstances, leave to amend is in the interest of justice.

11 **IT IS THEREFORE ORDERED** that petitioner’s motion for leave to amend petition (ECF
 12 No. 18) is **GRANTED**. Petitioner shall, within 20 days after this order is entered, separately file his
 13 second amended petition for writ of habeas corpus, along with the new exhibits in support of it.

14 **IT IS FURTHER ORDERED** that, within 45 days after petitioner files his second amended
 15 habeas petition, respondents shall file an answer or other response to the second amended petition.
 16 Respondents shall, in their initial responsive pleading, whether it is a motion or an answer, raise all
 17 potential procedural defenses, including lack of exhaustion and procedural default.

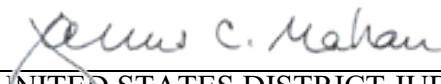

18 **IT IS FURTHER ORDERED** that, if respondents file an answer, petitioner shall have 45
 19 days from the date on which the answer is served to file and serve a reply.

20 **IT IS FURTHER ORDERED** that, if respondents file a motion to dismiss, petitioner shall
 21 have 30 days to respond to the motion to dismiss, and respondents shall, thereafter, have 20 days to
 22 file a reply in support of the motion.

23

24 Dated May 22, 2015.
